A Note from the Producing Artistic Director

Welcome to Civic Theatre's 2025–2026 Season: ***Elevate***.

Each season, we aim to tell stories that move, inspire, and reflect the world around us; and this year, we are reaching even higher. With *Elevate*, we explore what it means to lift each other up through powerful storytelling, shared laughter, meaningful connection, and the transformative magic of live theatre.

This season is about more than just entertainment, it's about hope, growth, and imagination. Our lineup is filled with plays and musicals that challenge us to rise above, lean in, dream bigger, and believe in something greater. Some shows will take you to new heights emotionally; others will make your spirit soar with joy and laughter. In a time when it's easy to feel overwhelmed or disconnected, theatre reminds us of our shared humanity.

Behind every production is a passionate team of artists, volunteers, educators, and supporters who make this work possible. We are so proud of the many ways Civic Theatre brings people together on stage, behind the scenes, and in the audience and gives us space to feel, think, and grow. Whether you're joining us for your first performance or your hundredth, your presence helps elevate our mission and fuels everything we do.

Thank you for believing in the power of local theatre. Thank you for showing up for the artists, for the community, and for yourself. We can't wait to share this season with you and continue to elevate your theatre experience!

Integrated Pest Management

Always a quality experience

**Locally Owned
and Operated**

“Thank goodness for Smith Pest Control. They removed the creepy crawlies and have kept them from invading the theater and offices. Jeromy listened to us and provided treatments based on our needs! This is a community-minded, locally-owned business at its best!”

Ants • Spiders • Crawling Insects

Amazing service and totally reliable! Kid and pet friendly and his follow ups are second to none. Highly recommend. We had an ant issue and not only are they gone and managed quickly, Jeromy follows up timely and frequently to ensure amazing customer service. We will continue with the quarterly management of all pests and critters without hesitation and we are comfortable to let him know if we have a concern.

SETTINGS

The Maitland's home, a haunted house, soon to be reinhabited by the Deetz family. Also the Netherworld because this is in fact a show about death.

TIME

SPECIAL THANKS

There will be NO INTERMISSION

Director's Note

This one goes out to the weirdos, the ones who feel lost, who never quite feel like they can find their footing, the grieving, the heartbroken and the healing. This is our whacky, Burtonesque love-letter to you.

It's a darkly whimsical and hauntingly real universe that can find beauty in the macabre, transforming the traditionally frightening into something oddly comforting. In this production, we hope to embrace that signature Burtonesque aesthetic—the gothic elegance, the playful darkness, the celebration of the strange and unusual—while honoring the deeply human story at its core.

Grief is a funny thing.

It challenges our perspective and makes us sort out step by torturing step how we look at life through lenses of denial then anger then depression then bargaining and finally acceptance.

We walk alongside Lydia through this journey as she struggles through her grief, refusing to accept the death of her mother, angry at her circumstances changing too fast too soon, depressed to the point of a suicide attempt until she makes a bargain with the most unseemly creature of the underworld she can find- *Beetlejuice, Beetlejuice, Beetlejuice* (yeah, I said it).

It's only through seeing and ultimately destroying what this demon is truly capable of that this teenage girl finds her way to acceptance of a new found family and a way to see her life going on without her mother. Finding purpose, embracing all you've found through the memory of what you've lost- Ultimately, it's the irony of grief that makes it funny...the imbalances.

I hope you can find those imbalances reflected in this upside-down world we've created for you in *Beetlejuice Jr.* Healing isn't linear, darkness can feel overwhelming. Sometimes, like Lydia, we need to journey through the strange and unusual to find our way back to the light. And to our devoted fans of Burton's 1988 cult classic: keep your eyes peeled throughout tonight's performance—we've lovingly scattered easter eggs that pay tribute to the original film. From subtle visual references to familiar moments you'll recognize, there are treasures hidden for those who know where to look.

So, please- laugh with the dead, dance with demons, and remember that even in our darkest moments, there's hope to be found—

It's showtime!

Benji Braswell

Director of Education and Outreach

Civic Theatre of Greater Lafayette

Who's Who in the CAST!

Molly Sands (Lydia Deetz) Molly is, as the kids say, 'psyched' to be rocking her first lead role at Civic! Other roles she has played include Nostradamus in *Something Rotten*, and everyone's favorite character, Snoopy, in *You're a Good Man, Charlie Brown*! She hopes that her acting and vocals will speak to your (currently) living soul!

Elias Kriger (Charles Deetz) Elias is a junior at Harrison High School, and is playing Charles Deetz. Although he has done previous show at Harrison Drama, this is his first Civic show. He loves playing D&D, musical theatre, and taking a stroll on planes of miniature pebbles next to large oceanic bodies. He would like to thank his family and friends who supported his doing *Beetlejuice Jr.*

John Scheiss (Beetlejuice) John is super excited to play the role of Beetlejuice in *Beetlejuice Jr.*! A senior at Central Catholic, he's previously performed in *The Wizard of Oz*(Zeke) and *Mary Poppins*(Mr. Banks) with CC, and *The Lightning Thief* (Dionysus) and *Something Rotten*! (Nick Bottom) with Acorn Players. In his free time, he loves playing his instruments, singing, and playing video games.

Key Vollmer (Adam) Keigon, is a senior at Jefferson High and is so happy to be a part of *Beetlejuice Jr.*, as his first show with Civic. He's been having so much fun with Adam and wishes for everyone to enjoy the show and a reminder to, "Try trying and see where you'll go, it's worth it." He would like to give a huge thanks to his Mom, Harlee Hicks and Bryson Benedict, the people that pushed him to do this show, if it weren't for their encouraging and comforting words to try it out, he surely never would.

Audrey Stemick (Barbra) Audrey is super excited to be a part of Beetlejuice Jr. at Civic Theatre this year. Previous shows she has been in include Get Dramatic's *Chicago* (ensemble), Get Dramatic's *Mamma Mia* (ensemble), and Get Dramatic's *Mean Girls* (Ms. Buck). She is a senior at Harrison High School and is involved in HHS Choir, including Chamber Choir and Jazz Choir. She would like to thank her director, cast, and crew for believing in her and creating a wonderful experience, and her parents for their love and support.

Maya Carr (Delia) Maya is thrilled to perform as Delia in Beetlejuice Jr! As a Sr at WL JR/ SR High, Maya has been in many musicals; the most recent being *Something Rotten* (Bea), *You're a Good Man, Charlie Brown* (Lucy), and *Descendants* (Maleficent). When Maya is not onstage, she enjoys baking & decorating cakes, singing in choir, & spending time with her cats & dog. She would like to thank her director Benji, the cast & crew, & her family for their continued support of her love of theatre.

Shaleigh Hreskowsky (Miss Argentina) is a 15-year-old freshman at Crawfordsville High School, thrilled to make her Civic Theatre of Lafayette debut in *Beetlejuice Jr.* She recently appeared in *The SpongeBob Musical* with Summer Stock Stage Mainstage and has performed in various school and community productions. Favorite roles include Molly (*Peter and the Starcatcher*), Maleficent (*Descendants*), and Ursula (*The Little Mermaid Jr.*). She plans to study musical theater and law at DePauw University, with hopes of one day performing on the Broadway stage. She thanks the directors, cast, crew, and her village of supporters—she couldn't do it without you.

Griffin Valliant (Maxi, Machete Groom) is ecstatic to be a part of this awfully amazing show. He has been in multiple Civic shows before, including *Almost, Maine* and *Amazing Maurice*, as well as *Something Rotten!* at Acorn Players and the titular *Captain Fantastic* at Red Brick Theatre. Alongside his three cats, he enjoys coding, his part time job and watching musicals. He would like to thank his Mama for costuming (and giving rides), and Benji, Abby, and Jackson for making this a wonderful show! (About death)

Luna Puetz (Maxine Dean/Parachute Jumper) Luna is so overjoyed to be a part of *Beetlejuice Jr.* at Civic Theater this season! Luna has always adored Civic theater and acting since she was little. Previous shows she has been in include *School of Rock* (Katie) and *Macbeth* (Macduff). When she is offstage, she enjoys singing, dancing, and spending time with her cast members. She would like to thank her best friend Colette, her family, cast, crew, and directors for all their love and support.

Annika Boquist (Sky/Dead Cheerleader) Annika is so excited to appear in *Beetlejuice, Jr.* Past roles include Gertrude McFuzz in *Seussical Jr.*, Scrooge in *A Christmas Carol*, and Ichabod Crane in *The Legend of Sleepy Hollow*. Outside of theater, she is learning piano, cello, and clarinet and loves time with friends. She would like to thank Benji Braswell for this opportunity and Abby Brown, her voice coach, for teaching her so many cool things. She also wants to thank her parents for the support and driving.

Jack Ewing (Otho/Girl Scout/Cheerleader) Jack is participating in his second feature with Lafayette Civic Theater. After participating in *Seussical Jr.* this summer, Jack had already set his sights on this particular show. He couldn't be more excited to continue to grow his love for theater, which he gets from his mother, and continue to blossom as a young performer. Jack is incredibly thankful for the guidance of his talented mother, the direction of Benji and the amazing staff, and the support of his fellow cast members. He's thrilled to put on a great show, and can't wait to see what's next!

Oliver Boulac (Priest/Hunter with Shrunken Head) is in seventh grade at Battle Ground Middle.
